CONFLICT OF INTEREST: A conflict of interest or a potential conflict occurs if a board or committee member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business.

A conflict of interest does not preclude appointment to City boards. Disclosure of possible conflicts of interest protects both you and the City. Do you foresee having a conflict of interest with any matters you may address if appointed to this board?
